

# Seniornet Hawke's Bay Inc

An orientation day Term 1 2011

## Learning Centres Damaged in Christchurch

You will appreciate that communication in Christchurch is patchy so trying to obtain information has been difficult. The information we have received so far is positive in the sense that it appears no SeniorNet person has been killed and no serious injuries have been reported.

It is of course early days and this may change after Learning Centres have been able to make contact with all their members.

## Greetings

One can't help but feel for the people of Christchurch. The citizens I feel most for are the ones in their twilight years who have lost all their belongings, their homes and their security and are faced with the momentous task of having to start again from scratch possibly without a lot of capital and no family near by to help.

Our problems pale into insignificance when we see the destruction and the loss of life that has been wrought on Japan and I pray that another one does not come our way.

I would like to sincerely thank the committee who have served us so well and look forward to seeing a lot of familiar faces back again this year. Also I would like to say to all the people who have assisted with classes and the smooth running of SeniorNet over the past year a great big heartfelt thank you and well done. Keep well and safe.

*Buster Evenson* President.

## Note from the Treasurer

We are now well into our new Financial Year and we have had a good response from existing members in renewing their subscriptions. However, I'm sure a few of us have meant to do so but with so many other things to think of have let it slide. This note is a reminder for those few. To give members a little more time, your Committee has extended the cutoff date for renewal to **30<sup>th</sup> April 2011**. There will however, be no exceptions after that date. From then on, any existing member who wishes to continue with Seniornet will be required to apply for new membership and pay the full fee. So, keep those renewals rolling in and we look forward to seeing as many members as possible at future classes.

Thank you

Norman Richardson, Treasurer.

From the Secretary

### Annual General Meeting

Thank you to everyone who agreed to have their names put forward for committee and other positions, and congratulations to all who were elected for the coming term. Without people who are prepared to volunteer for these positions, there would be no SeniorNet, and without people willing to volunteer their time as Tutors and Assistants there would be no point in either.

Thank you to all who give their time voluntarily to our group – you are doing a great job, and we appreciate you.

Betty

**To all our members  
 The question still remains,  
 email or snail mail!**

Thank you to those members who have chosen to have the newsletter by email, it is saving SeniorNet money. You are on the winning side though as the email newsletter is all in colour and with a full back page!

But the question still stands for our remaining members, email or snail mail?

Please contact Betty Carding by the 27<sup>th</sup> of May, her address is [cebecar@xtra.co.nz](mailto:cebecar@xtra.co.nz)

### Saturday Practice for enrolled Beginners

**Please ring Jenny Ph 877 9338 by mid day on the previous Friday at the latest, if you wish to come. We are then able to arrange a Tutor—otherwise there may not be anyone there to help you.**

*Thank you*

We are proud to be members of  
 The Federation of New Zealand  
 SeniorNet Societies Incorporated

This information was originally from: [www.Starship.org.nz](http://www.Starship.org.nz)

Starship Foundation can now help you dispose of your old redundant mobile phones while helping care for our kids. But the best part is it's so easy!

All you have to do is pick up one of our Parcel post Returns Freepost Envelopes from selected newspapers nationwide, [ASB bank branches](#), [The Warehouse](#) or [Warehouse Stationary stores](#), all [Telecom stores](#), [Barfoot & Thompson branch](#), package the phone, then pop in a local post box and you're done

We are happy to receive any make and model of mobile phone regardless of condition. Phones in working order are refurbished and exported to countries where they are needed, while those beyond repair are recycled through the correct environmental channels.

June issue is the 20th  
May

**To our members who have their newsletter by email would you like to submit one of your fantastic photos for the back page of the June newsletter? If so please send it to me preferably before but no later than the 20<sup>th</sup> May. My email address is [gayann.22@clear.net.nz](mailto:gayann.22@clear.net.nz)**

**Passionfruit slice recipe.**

For your own slice of summer, passionfruit is the ideal treat.

**Base ingredients.**

- 1 cup self-raising flour.
- 1 cup desiccated coconut.
- ½ cup caster sugar.
- 125g butter melted.

**Passionfruit topping ingredients.**

- 395g can condensed milk.
- ½ cup lemon juice.
- ⅓ cup passionfruit pulp.

**Directions.**

Preheat oven to 180% Celsius and grease an 18cm x28cm slice pan. Line the base and sides with baking paper. Combine the flour, coconut and sugar in a bowl. Stir in the butter and mix well. Press the mixture evenly over the base of the prepared pan. Bake for 15minutes or until lightly brown.

**For the passionfruit topping,** combine the condensed milk, lemon juice and passionfruit pulp in a medium bowl. Beat with a wooden spoon until smooth and pour the mixture over the hot base. Bake for another 15 minutes or until just set. Cool in the pan, cut into pieces and serve

**Yes it really is that easy**

**Enjoy!**

## Here is some information about the courses that we offer

### Digital Camera Program

This program looks at and discusses loading your pictures on to the computer in different ways. Then make a video with your camera and make a movie by using **Microsoft Movie Maker** which is part of the Windows operating program already on your computer. You can also add music and a narration and finally burn it to a CD or DVD. **This is a four week course.**

### Fun with Photos

Paint Shop Pro ultimate PhotoX2 is the program used, but if you have Paint Shop Pro 9 that will work as well. With it you can learn scanning, resizing, cloning and altering photos so that you won't believe any photos you see in the future. **An eight week course.**

### Power Point

Power Point is a Microsoft program which allows you to build a professional presentation of trips, weddings, garden shows or what ever you imagine. **Covering 4 or 8 week courses**

### Microsoft Publisher 2003/2007

With this in-depth program you can produce Cards, Flyers, Certificates, Business cards etc with a professional finish. You will need the program on your computer. **An eight week course.**

### Microsoft Word 2003 word processing classes.

Levels 1, 2 are the basics of all computer programs. In Level 1 you will learn about scrolling, highlighting, cut, copy and pasting and much more.

In Level 2 those same skills will be revisited and new skills added. **Level 1 can be taken in four week modules.**

**Microsoft Word 2007** Level 1 and level 2 word processing classes will be working with the new **Ribbon** concept which is replacing menu bars. **Level 1 can be taken in four week modules.**

### Excel. Microsoft Spreadsheet program

In this program you can organize home accounts, budgeting, charts, calculations and much more.

**An eight week course.**

### Email / Internet

These are courses intended for those people who have basic word processing skills who wish to learn to send emails using Outlook Express, Windows mail or Live mail.

**Internet** for those wishing to learn how to search the internet and to download information safely. **These are both three week courses.**
