

Downloading Phoxo

Go to <https://www.phoxo.com> and on the page click on Download. Downloads can be slow so alternatively Click on this link below. It is from my One Drive

<https://1drv.ms/u/s!Ap7nfbWCR7okgl1vkZTAiLat9AiR?e=QzGVea>

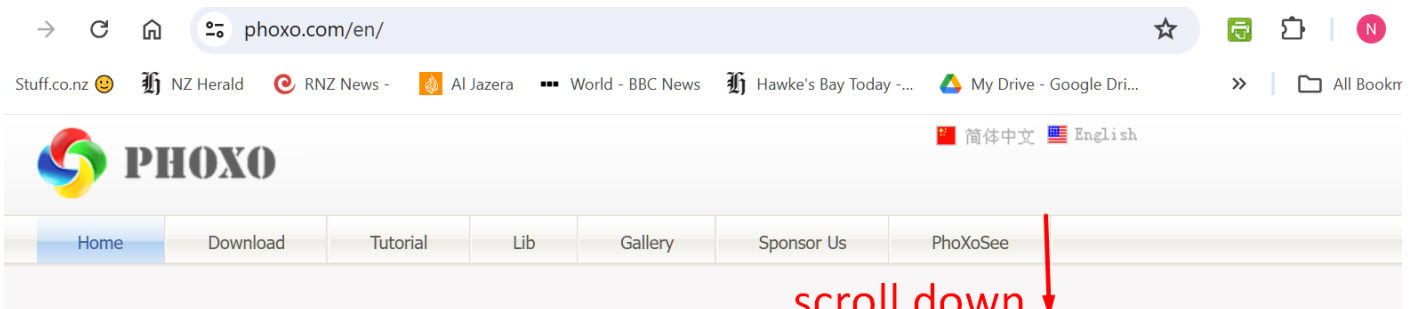

Then

The file will install Phoxo on your computer. You may be asked do you want this to happen and the answer is YES for it is safe.

If you want to download Phoxo from its website the download maybe slow. Below are images from the website

Version : 8.4.0 **NEW**

Date : 2019-05-14

Size : 5 MB

Download

click on download
