

Weekly Programme Reminder

13 to 17 February 2023

Our New Year is underway

Open Day Term 1 starts on Monday 13 February 1 to 3pm

At Arohanui Church, 81 Middle Road, Havelock North.

Open Day is principally about getting together for a chat and a cuppa . . . but we also help with your tech problems at the same time. So come along, be sociable and learn.

For your information, SeniorNet Federation in Wellington has been in discussion with **Statistics NZ** for a while now. The outcome of this discussion is that Learning Centres are defined as Assisted Completion Locations.

As such Learning Centres are regarded as accessible and trusted community locations where people can seek advice and support to complete their Census Form. This applies for both Learning Centre members and the public at large. So, you can bring your friends along for some assistance if you wish.

**We are running four Monday to assist with the Census;
13, 20, 27 February and 6 March.**

Remember Census Day is Tuesday 7th March.

If you need assistance please come along and speak to us on these days.
