

Newsflash

To SeniorNet and U3A Members

Welcome all to a New Year of further learning about your favourite electronic devices and your U3A chosen activity of interest to you. We hope you had an enjoyable festive season and are looking forward to getting back to a little more routine in the coming year.

The **SeniorNet Term 1** commences on **Monday 12 February** with things being a little different in terms of how our activities are listed.

As you know, we now have an association with **U3A** and as such SeniorNet's contributions are detailed in U3A's

List of Activities

now uploaded to our website and also attached to this Newsflash.

Please note the **Genealogy Workshop** starts earlier on **Thursday 1 February from 10am to 12pm at Arohanui Church 81 Middle Road Havelock North.**

For those interested in **Genealogy**, even as beginners, you are welcome to come along and see what it is all about.

There are several tutors on hand to guide you in the right direction and get you involved in researching your family's past. The session is informal, relaxed and very interesting.

I encourage all members who have not experienced what is involved with **Genealogy** to give it a go. You may well find yourself **hooked!**

The **Genealogy Workshop** is held on the **first Thursday of each month** during the year.

As well as assisting with your technical problems on **Monday Drop-in afternoons** we intend to include several other activities on these Mondays. These will be advertised in our **Weekly Programme Reminder** throughout Term 1.

Important upcoming dates to note in your **electronic** diary or your **pen and paper** version are as follows:

U3A Annual General Meeting on Thursday 15 February 2024 at 10.00am at the Function Centre Havelock North

SeniorNet Annual General Meeting on Monday 25 March 2024 at 1.00pm at Arohanui Church 81 Middle Road Havelock North
