**Monday Afternoon Drop-in Sessions 1:00 to 3:00pm** - the afternoon format has changed a little to introduce other subjects. Continue to come along at 1:00pm for general enquiries, questions and solutions to your tech problems.

It's an opportunity for a cup of tea, a chat and on selected days an interesting topic will appear followed by a discussion. Look out for the Weekly Programme Reminder advertising . . . **What's On This Monday**. Looking forward to seeing you!

As a one-off topic this term we will be giving assistance on completing the **Census Form** on the first 4 Mondays of this term. If you have any questions on the Census please come along and we will endeavour to assist you or your friends. **Remember Census Day is 7 March 2023.**

**Venue:** Arohanui Church, 81 Middle Road, Havelock North.

**One-to-One Appointments** – These are good value at \$10 a session. The sessions are designed to answer your tech questions in more detail and give you a better understanding of your device.

Please call **06 877 2157** or email [seniornethb@seniornethb.org.nz](mailto:seniornethb@seniornethb.org.nz) to arrange an appointment and venue.

**Android Phones & Tablets** - We are running one session this term to answer any questions members may have about **Android Phones and Tablets**. **Any** question is the key thing. If we cannot help on the day, we will find out the answer and let you know so as we all benefit from new information.

Knowing more about your devices is a good thing. Come along and learn!
