

Weekly Programme Reminder

This coming Monday 28 August is Drop-in afternoon as usual commencing at 1.00pm

Come along if you have any tech problems we can assist you with.

Commencing at 1.30pm we are running the **second Android** session of

Understanding Your Smartphone

You ask the question . . . **How do I . . .?** and we try to answer.

The activity is designed to get the most out of your mobile phone.
A Smartphone is **smart** and most of us have no idea about its potential.

Come along for an informal chat and leave knowing more about the power of that little phone you hold in your hand every day.

Or just come along and have a cup of tea and a chat.

See you there.

Venue: Arohanui Church 81 Middle Road Havelock North

Date: Monday 28 August 2023

Time: 1.00 to 3.00pm
