### Drop-in Afternoons 1:00 to 3:00pm

The Monday afternoon format has changed a little to introduce other interesting subjects. Continue to come along at 1.00pm for general enquiries, questions and solutions to your tech problems.

It's an opportunity for a cup of tea, a chat and perhaps view an interesting SeniorHangout on selected days followed by a discussion. Look out for the Weekly Programme Reminder advertising . . . **What's On This Monday**. Looking forward to seeing you!

**Venue:** Arohanui Church, 81 Middle Road, Havelock North.

**One-to-One Appointments** – These are good value at \$10 a session. The sessions are designed to answer your tech questions in more detail and give you a better understanding of your device.

Please call **06 877 2157** or email [seniornethb@seniornethb.org.nz](mailto:seniornethb@seniornethb.org.nz) to arrange an appointment and venue.

**Genealogy Workshop** – Come along and join us at the Genealogy Workshop. We welcome anyone who wishes to find out more about their family history. Here you will find talk of spectacular successes and failures encountered whilst searching for ancestors and ways and means of overcoming research problems. We are a very interactive group and our sessions come with a great deal of lively discussion. Participants usually have the satisfaction of learning something new or exciting.

**Venue:** Arohanui Church, 81 Middle Road, Havelock North.

**Time:** 10:00am–12:00pm. **Tutor:** Gillian Allison. The group meet on the first Thursday of each month.

**Understanding Your Smartphone** - This activity is designed to answer your question . . . **How do I . . . ?** You ask and we'll do our best to provide the answer!

The activity designed to get the most use out of your mobile. A Smartphone is **smart** and most of us have no idea about its potential. Come along for an informal chat and leave knowing more about the power of that little phone you hold in your hand every day.

We are now holding the Smartphone activity on a Monday during Drop-in Afternoon and we have two sessions scheduled this term. Details in the Weekly Programme Reminder.
