

Newsflash

To SeniorNet and U3A Members

This coming **Monday 4 March** is a big day for both organisations with two sessions at the same time and place . . . but two separate rooms!

SeniorNet presents - **Files & Folders**

U3A presents - **Computer Interest Group**

Files & Folders - it's annoying when you can't easily find what you are looking for. It could be a **website** you looked at last week . . . or organising **photos** to show a friend . . . or just simply **organising your emails** . . . learn these skills!

Learn how to create a **quick menu toolbar** and how to use the **snipping tool**. All useful for those interested in **Genealogy**.

The **Computer Interest Group** has been launched to assist like-minded people with questions relating to **Windows on Laptops and Desktops**.

Interesting questions like:

Why is my computer running slow? It takes too long to start?

Declutter my computer? How do I back-up and download important files?

This **Computer Interest Group** is the place to ask questions and get answers!

The Group will run on the **first Monday of each month** so come along and learn tips to get your computer running even better.

Venue: Arohanui Church, 81 Middle Road, Havelock North

Date: Monday 4 March

Time: 1:30 to 3:00 pm for each session

As usual the drop in starts at 1:00 pm to help with your tech problems! Respective sessions will follow at 1:30 pm.
