

NEWSFLASH

Part 2 of PHOXO

Great turnout last week

Lots of relevant questions about computing. This week we will show you how to insert Clipart, Frames, Icons and Exciting Text on to your pictures to impress your friends. Phoxo even converts old negatives to positive prints. Bring any computing question you have.

Newcomers welcome to the session

When: 1.00 pm Monday 5th August

Where: Arohanui Church Rooms 81 Middle Road Havelock North

You can bring along a flash drive or a laptop & we can install the program for you.

Help with your cell phones & laptops before Phoxo starts at 1-30 pm
