

## Weekly Programme Reminder

### To SeniorNet and U3A members

This coming **Monday 27 May** we are showing a **SeniorHangout** entitled

#### **Make your Android phone smarter** **An in-depth look at the important Play Store App**

This video is presented by **John Gibson** of SeniorNet Manawatu.

Discover the **hidden secrets** of this **App**.

It is not until you **drill down deeper** that you discover why the **Play Store** is the second most important App on your phone. So, what's the **first**? What's the difference between **removing** an App and **uninstalling** an App?

This is another interesting **SeniorHangout** not to be missed by **Android** users. You are **guaranteed** to learn something you did not know before!

---

If you just want assistance with any **tech problems** including **Windows 10**, please come along at **1 o'clock** and we will assist where possible.

**Venue: Arohanui Church 81 Middle Road Havelock North**

**Date: Monday 27 May 2024**

**Time: 1 o'clock for general assistance and 1.30pm for the start of the SeniorHangout.**

---

**Planes Trains and Automobiles** is a recent addition to U3A's **List of Activities**.

Hosted by **Peter Watt** this is an activity that will **interest** and **challenge** those with an **enquiring mind**.

If you want to be **challenged** give **Trish Loye** a call on **06 878 5920** to find out more about this activity.
